

JUST BECAUSE HE'S YOUR DAD

Just because he's your dad and he's going to love you forever, no matter what – you cannot treat him just any old way and think it doesn't matter.

Don't treat the person who loves you the most ... the worst.
Don't take him for granted.

He may not let you see it, but your shortness, impatience and harsh words make him steal away to a quiet place and cry. His heart hurts to understand why you seem so angry with him.

He will not always agree with you, but he will always love you. And it doesn't matter how old you are, or how old he is, treasure your dad. **You'll never have another one!**
